Dear Loved one,  
I received  
your letter today was so glad  
to get it and see those sweet flowers  
you sent me. I got home Sunday  
night at 11<sup>30</sup> o'clock and could  
not sleep for thinking of leaving  
you the one I do so dearly love  
and ~~unhappy~~ smile on your sweet face  
it shows to me gleamings of love.
